

Shree Sathyam College of Engineering and Technology

(An Autonomous Institution)

Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai.

Accredited with NAAC (B++) & Recognized under Section 2(f) of UGC

NH-544 Salem - Kochi Highway, Sankari, Salem (DT) - 637301.

Department of Mechanical Engineering

Cir No: MECH/2026-27/DAAC/ODD-001	Date: 17-08-2026
Category: DAAC	Priority: Normal

CIRCULAR

First Department Academic Advisory Committee (DAAC) Meeting

All concerned members are hereby informed that the **First Department Academic Advisory Committee (DAAC) Meeting** of the **Department of Mechanical Engineering** is scheduled as follows:

- **Date:** 20.08.2026
- **Time:** 10.30 A.M.
- **Venue:** Board Room, SSCET

All DAAC members are requested to attend the meeting punctually and actively participate in the discussions. The meeting will focus on **curriculum development, industry requirements, academic quality improvement, research, innovation, skill development, and other departmental academic matters.**

Your valuable suggestions and expert guidance are solicited for the continuous improvement and academic excellence of the Department.

Head of the Department

Copy to:

1. Chairman Office
2. Principal Office
3. Circulate to all Faculty, Coordinators and Heads
4. IQAC File
5. Hostel Wardens Boys & Girls

Shree Sathyaam College of Engineering and Technology

(An Autonomous Institution)

Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai.
Accredited with NAAC (B++) & Recognized under Section 2(f) of UGC
NH-544 Salem – Kochi Highway, Sankari, Salem (DT) - 637301.

Department of Mechanical Engineering

Department Academic Advisory Committee (DAAC)

AGENDA

Ref: SSCET/MECH/DAAC/2026-27/ODD/001	Date: 20-08-2026
Venue: BOARD ROOM- SSCET	Time: 10.30 am

Points to discuss:

1. To review the Anna University Under graduate Curriculum 2025 applicable to II Year students and Anna University Under Graduate Curriculum 2021 applicable to III Year and IV Year students.
2. To review the Programme Structure, Categorization of Courses, and Credit Distribution under Regulation 2026.
3. To discuss and recommend the curriculum and syllabus of the department under Regulation 2026.
4. To review and recommend the Professional Elective and Open Elective Courses offered by the department.
5. To review the curriculum to ensure alignment with industry requirements and emerging technologies.
6. To discuss and recommend Value Added Courses, Certificate Courses, and Skill Development Programmes.
7. To review the laboratory facilities and recommend modernization and infrastructure enhancement.
8. To discuss and promote interdisciplinary and multidisciplinary learning opportunities.
9. To discuss measures for strengthening industry interaction through guest lectures, internships, industrial visits, and collaborative activities.
10. To discuss and recommend initiatives for research, innovation, entrepreneurship, intellectual property rights (IPR), and consultancy.
11. To review the department's academic achievements and recommend measures for continuous quality improvement.
12. To review and discuss feedback received from students, alumni, employers, and other stakeholders, and recommend suitable actions.
13. To discuss and recommend Faculty Development Programmes (FDPs), workshops, seminars, and training programmes for faculty members.
14. To discuss and recommend strategies for enhancing student placements, higher education opportunities, career development, and employability skills.
15. General Points to discuss (If any..)

Dear Member,

**Sub.:- Invitation to Department Academic Advisory Committee (DAAC) meeting
of Mechanical Engineering – Reg.**

We are happy to inform you that Shree Sathyam College of Engineering and Technology has been granted Autonomous Status by the UGC and Anna University from the academic year 2026-27 onwards.

We are pleased to invite you to attend the First Meeting of the Department Academic Advisory Committee (DAAC) of the Department of Mechanical Engineering, scheduled to be held on 20.08.2026 at 10.30 A.M. in the Department of Mechanical Engineering, Shree Sathyam College of Engineering and Technology, Sankari.

The agenda for the meeting and the relevant documents are enclosed herewith for your kind perusal.

We sincerely request you to grace the occasion with your esteemed presence and offer your valuable suggestions and expert guidance, which will greatly contribute to strengthening the academic excellence and continuous quality improvement of the Department of Mechanical Engineering.

We look forward to your kind presence and active participation.

Thanking you

Yours Sincerely,

M. Nallakumarasamy

Department Academic Advisory Committee (DAAC)

Minutes of the Meeting (MoM)

Ref: SSCET/MECH/DAAC/2026-27/ODD/001	Date: 20-08-2026
Venue: Board Room - SSCET	Time: 10.30 am to 11.30 am

Minutes:

S.No	Points Discussed	Action Taken
1.	To review the Anna University Under graduate Curriculum 2025 applicable to II Year students and Anna University Under Graduate Curriculum 2021 applicable to III Year and IV Year students.	Existing curriculum was reviewed and necessary changes were identified for smooth academic implementation.
2.	To review the Programme Structure, Categorization of Courses, and Credit Distribution under Regulation 2026.	Programme structure and credits were reviewed and aligned with NEP 2020, UGC, AICTE and Anna University norms.
3.	To discuss and recommend the curriculum and syllabus of the department under Regulation 2026.	Curriculum and syllabus were reviewed with focus on outcome-based and skill-based education.
4.	To review and recommend the Professional Elective and Open Elective Courses offered by the department.	New electives such as E-Vehicle Technology and Battery Management may be introduced.
5.	To review the curriculum to ensure alignment with industry requirements and emerging technologies.	AI tools and Python may be integrated with Professional Core subjects, particularly from Semester IV.
6.	To discuss and recommend Value Added Courses, Certificate Courses, and Skill Development Programmes.	Industry-oriented Induction Programme may be introduced to improve industrial awareness and employability.
7.	To review the laboratory facilities and recommend modernization and infrastructure enhancement.	Laboratories may be upgraded and Mechatronics and Embedded Systems may be integrated for practical learning.
8.	To discuss and promote interdisciplinary and multidisciplinary learning opportunities.	Physics and Chemistry concepts may be integrated with Mechanical Engineering applications.
9.	To discuss measures for strengthening industry interaction through guest lectures, internships, industrial visits, and collaborative activities.	More industrial visits, internships, guest lectures and industry-oriented projects may be organized.
10.	To discuss and recommend initiatives for research, innovation, entrepreneurship, intellectual property rights (IPR), and consultancy.	Students may be encouraged to undertake innovative projects, IPR, entrepreneurship and consultancy activities.
11.	To review the department's academic achievements and recommend measures for continuous quality improvement.	Micro-level Capstone Projects may be introduced to improve practical and problem-solving skills.

Shree Sathyam College of Engineering and Technology

(An Autonomous Institution)

Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai.

Accredited with NAAC (B++) & Recognized under Section 2(f) of UGC

NH-544 Salem – Kochi Highway, Sankari, Salem (DT) - 637301.

S.No	Points Discussed	Action Taken
12.	To review and discuss feedback received from students, alumni, employers, and other stakeholders, and recommend suitable actions.	Feedback from students, alumni, employers and industry experts may be regularly collected and considered.
13.	To discuss and recommend Faculty Development Programmes (FDPs), workshops, seminars, and training programmes for faculty members.	FDPs and training programmes on AI, Python, Mechatronics, EV Technology and emerging technologies may be organized.
14.	To discuss and recommend strategies for enhancing student placements, higher education opportunities, career development, and employability skills.	Skill development, industry exposure and project-based learning may be strengthened to improve placement and higher education opportunities.
15.	General Points to discuss (If any..)	Project credits may be increased. Semester V Metrology and Instrumentation course title may be reviewed. Agriculture Technology-oriented elective may be considered with environmental and lifelong-learning aspects. Overall curriculum to be aligned with NEP 2020, UGC, AICTE, Anna University norms and SDGs.
